Data protection policy

In compliance with the General Regulation UE 2016/679 on the European Data Protection standard applied directly throughout the Spanish state from the 25th of May 2018, we inform you that your data will be treated in order to manage the award for:

- **Registration:** manage your registration, access and use of your Award registration form, through your personal profile.
- **Contact:** manage your contact information with the Award for the purposes of a consultation, help, complaint, claim, or any other reason directly related to the Award.
- **Communication:** promotion and dissemination of our activities and services, issuance of information and publicity that is related to the Award.
- **Third party data:** If you provide us with data from third parties or provide them to us in the future, you must, in advance, have informed and obtained the consent of the third party for the use of their data, as set forth herein.
- **Data / Statistics:** we also use your information to generate aggregated data that does not identify you, such as, for example, to generate statistics about our participants, countries of origin, gender, projects and / or typologies of projects presented.

Responsible for the treatment

The Architects' Association of Catalonia, public law entities registered in the Register of Professional Associations of the Department of Justice with the number ARQ / C-20.
